

PHYS 100A & 100B TUTORING

Struggling with kinematics, free-body diagrams, vectors, or circuits?
Don't let general physics wreck your science or pre-health GPA.

- Homework & WebAssign Problem Sets
- Exam Prep & Practice Test Walkthroughs
- Breaking Word Problems into Direct Steps
- Lab Concept Clarity (100AL / 100BL)

- **In-person at CSUN Library or nearby**
- **Flexible scheduling around class hours**
- **1-on-1 or small study group rates**
- **Tailored explicitly for Non-Physics Majors**
